It is that time of year! Instructors have picked out costumes and music has been selected for your child's recital. All recital dance choreography will begin in the next few weeks if they have not already started. The costumes have been on display on the dance room doors for a few weeks now. We hope you have had a chance to view them and hope you like them! All costumes have been ordered and will arrive sometime in March/first of April. Once they arrive and are organized by class, you will get to take them home for safe keeping until Picture Week and the Recital.

Once choreography begins in your class it is so important that you attend weekly. If you miss a class, you will miss out on the choreography and it takes time away from the others in the class to re-teach you the steps in the dance. If you must miss because of another activity, sickness or school work, please take a minute to call the studio at (918) 369-5299 to let your instructor know before the class begins. We appreciate you taking the time to do this and helps the instructors with planning their class.

The RECITAL date has been confirmed, please take note:

May 18th-20th
Your day/time of rehearsal and recital will be announced in the March newsletter. Be prepared for a dress rehearsal that will last about an hour and then the Recital that is about two hours.

Student Evaluations

**Student
Evaluations
are NEW and
IMPROVED
this year!**

We are excited to be doing Student Evaluations a little different this year! Instead of a note to you like we have done in the past telling you how wonderful your child is we will be giving you an actual evaluation with a checklist of skills that your child has been taught this year! We think this will help you determine what class your child should be in next

season. Of course our teachers will be available to assist you in placing your child as well but this will give you a little more detailed information. We will be evaluating each student in class the week of March 12th. Your evaluations will go home the week of April 9th along with a Fall schedule.

More Recital Info!

Recital Fees will be taken out along with your tuition in March. Recital fees are as follows:

1 student: \$45
2 students: \$65
Family of 3 or more: \$75

Thanks!
